

Dear potential AZH conference supporter,

The Association of Zoological Horticulture (AZH) is hosting its annual conference **October 10-14, 2024** at Marriott Phoenix Resort Tempe at the Buttes in Phoenix, AZ. This annual conference brings together over 100 horticulturists and plant professionals working in zoos, botanical gardens, parks, and public gardens in the U.S. and beyond.

The AZH conference is attended by garden professionals that are the decision makers, buyers, and purchasing agents within their institutions. This is the first time AZH has hosted this group in the Phoenix area, and we are excited to share many local zoos and gardens with attendees.

Scheduled activities over the four (4) day conference include two (2) days of educational sessions, two (2) days of tours to local zoo and garden related attractions, an icebreaker event, silent and live auctions, and a closing banquet.

Your sponsorship will help offset some of the expenses involved in hosting this event and provide your company with exposure to many professionals in the horticulture, public garden, and zoological industries.

We are pleased to offer several sponsorship opportunities for you to consider:

- Sponsor a coffee break, the conference icebreaker, business luncheon, box lunches on bus tour of local horticultural sights, or the closing banquet
- Sponsor transportation services for the delegates to regional horticulture points of interest
- Sponsor conference tours to the Phoenix Zoo and other local garden attractions
- Reserve exhibition space at Marriott Phoenix Resort Tempe at the Buttes conference center

Please consider being part of this opportunity to make this conference an exceptional experience.

Please see the sponsorship form for suggested levels of sponsorship. If you have any questions, please feel free to contact me any time.
